A smooth and quiet ride is achieved by a poly V-belt, a 15,5kg/34lbs flywheel and high quality bearings

The unique bottle holder accommodates iPod Nano, member card, pulse watch and two water bottles

Easy to operate, ergonomic handles with stainless steel thread

Handlebar offering several grip positions

Special designed unbreakable BODY BIKE pedalarm in cast iron, 155mm/6,1inch

BODY BIKE MAGIC

Indoor cycling is for everybody - also for young people. BODY BIKE Magic is an innovative, high quality indoor cycle customised to meet the specific needs of young people. In its design it takes into consideration both the physiology and psychology of young people combining state-of-the-art technology from our adult cycles with special features particularly developed for this specific age group. BODY BIKE Magic creates an opportunity for the entire family to exercise together turning indoor cycling into a family sport.
